BID Request
Participant Accident Coverage for Intercollegiate Athletics
Louisiana Tech University
Ruston, Louisiana

Objective:

Louisiana Tech University in Ruston, Louisiana, is seeking bids from qualified firms for the purpose of establishing a multi component contract for insurance coverage for its student-athletes. Each individual component can be awarded separately. Component 1: Secondary Insurance for all student-athletes on an aggregate deductible platform. Component 2: International Student-Athlete Health Insurance. The contract period shall be for one (1) year with an option for both parties to renew for two (2) additional years.

Background:

Louisiana Tech University is a state supported university offering degrees at the associates, bachelors and graduate levels. The student population comes from across the United States and roughly 69 foreign countries. Spring 2023 enrollment was 9,753 of which 308 were international students. Of these international students, 47 were student-athletes.

The University has relationships established with local and area medical providers that are not subject to change. Those providers are listed below.

- North Louisiana Orthopaedic Clinic
- Green Clinic

Individual Components:

Component 1: Secondary Insurance

The purpose of this component is to establish a contract for claims processing of and for participant accident coverage for intercollegiate athletics using the aggregate-deductible plan, in addition to claims processing of and for non-athletic related expenses that the university wishes to pay for. The non-athletic expenses would not be applied to the aggregate-deductible. The process would generally follow this sequence, a provider billing a student-athletes primary insurance which is processed and payment sent to the healthcare provider, who in turn will forward the balance along with the primary Explanation of Benefits to the selected company. In the event a student-athlete doesn't have primary, the said participant accident coverage will roll up to cover the primary and secondary portions of the bill in question. These claims will be paid from the university's self-funded portion of the plan.

- Attachment 1-1: Academic Calendar
- Attachment 1-2: Current Policy
- Attachment 1-3: Athlete Medical Referral
- Attachment 1-4: Claims History by Year
- Attachment 1-5: Sports Census

Component 2: International Student-Athlete Health Insurance

Louisiana Tech University currently has a contract in place for international student health coverage, but the current contract does not provide coverage for athletic related injuries for intercollegiate student-athletes. Louisiana Tech University Athletic Department will complete the third and final year of the current contract that does provide insurance coverage for athletic related injuries to its international student-athletes. Information related to the current contract is available in attachments to this bid. A list of the Attachments and their subject are:

Attachment 2-1: Academic Calendar (Same as Attachment 1-1)

Attachment 2-2: Brochure from current plan

Attachment 2-3: Enrolled students by country for Spring 2023

The contract period shall be for one (1) year with an option for both parties to renew for two (2) additional year one (1) year terms. The total term may not exceed three (3) years.

This bid is being issued to locate policies for the upcoming insurance year that will begin August 1, 2023.

Each component can be awarded separately.

Eligibility & Coverage Period:

Component 1

The benefit period shall survive the contract if the contract expires or is terminated prior to the conclusion of the benefit period.

Coverage should remain in effect for an applicable week or month even though a student may leave school; school isn't in session or hasn't begun. Intercollegiate student-athletes will traditionally be enrolled as a full-time student during the Fall, Winter, and Spring quarters. A person who is eligible for coverage shall become an Insured Certificate Holder on the effective date specified by the Policyholder. Coverage is to be in effect 12 months a year.

Coverage should remain in effect for an applicable quarter even though a student may leave school, unless the insured student enters military service, in which coverage would terminate upon entrance. Intercollegiate student-athletes will traditionally be enrolled as a full-time student during the fall, winter, and spring quarters. However coverage must be extended into the summer quarter/when the student is engaged in approved NCAA athletic activity.

The United States imposes economic sanctions against countries, groups and individuals, such as terrorists and narcotics traffickers. These sanctions prohibit US persons from dealing with these sanctioned parties. The purpose of this notice is to inform you that we cannot violate US sanctions by engaging with sanctioned countries or people.

WHAT IS OFAC?

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against designated countries. No U.S. business or person may enter into transactions involving designated "sanctioned" countries.
- OFAC publishes on its website a list known as the "Specially Designated Nationals and Blocked Persons" ("SDNBP") list. No U.S. business or person may enter into transactions involving any person or entity named on the SDNBP list.

Additional information about OFAC Sanctions Programs and Countries can be found at:
<http://www.treasury.gov/resource-center/sanctions/Programs/Pages/Programs.aspx>

OBLIGATIONS PLACED ON US BY OFAC

1. We shall not be deemed to provide cover when it would violate any applicable sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union or the United States of America. You will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.

**IMPORTANT NOTICE TO OUR CUSTOMERS
REGARDING THE
OFFICE OF FOREIGN ASSETS CONTROL ("OFAC")**

Your rights as a policyholder and payments to you, any insured, additional insured, loss payee, mortgagee, or claimant, for loss under this policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL ("OFAC").

The United States imposes economic sanctions against countries, groups and individuals, such as terrorists and narcotics traffickers. These sanctions prohibit US persons from dealing with these sanctioned parties. The purpose of this notice is to inform you that we cannot violate US sanctions by engaging with sanctioned countries or people.

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under presidential wartime and national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers
- Proliferators of Weapons of Mass Destruction

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against designated countries. No U.S. business or person may enter into transactions involving designated "sanctioned" countries.
- OFAC publishes on its website a list known as the "Specially Designated Nationals and Blocked Persons" ("SDNBP") list. No U.S. business or person may enter into transactions involving any person or entity named on the SDNBP list.

Additional information about OFAC Sanctions Programs and Countries can be found at:
<http://www.treasury.gov/resource-center/sanctions/Programs/Pages/Programs.aspx>

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you or any insured, additional insured, loss payee, mortgagee, or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations, we must block or "freeze" property and payment of any funds transfers or transactions.

POTENTIAL ACTIONS BY US

1. We shall not be deemed to provide cover when it would violate any applicable sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union or the United States of America. You will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
2. We will not pay a claim or provide any benefit to the extent that such cover, payment of such claim or provision of such benefit would violate any trade or economic sanctions, laws or regulations of the United States of America and we will not defend or provide any other benefits under your policy to individuals, entities or companies to the extent that it would violate any trade or economic sanctions, laws or regulations of the United States of America.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an "APPLICATION FOR THE RELEASE OF BLOCKED FUNDS" and apply for a specific license to request their release. Forms are available for download at the OFAC website. See <https://www.treasury.gov/resource-center/sanctions/Pages/forms-index.aspx>

PREMIUM

Premiums. Premiums are payable to the Company at the rates and in the manner described in the Premiums section of the Master Application. The Company may change the required premiums as a condition of any renewal of this Policy. The Company may also increase the required premiums at any time when coverage is provided to additional Insureds or when there is a change in the age of an Insured or when Policy benefits are increased. (Any such change in this Policy will not take effect until any required additional premium is received by the Company, except as otherwise agreed to in writing by the Company and the Policyholder.)

BENEFITS

Maximum Amount. As applicable to each Benefit provided by this Policy for each Insured, Maximum Amount means the amount shown as the maximum amount for that Benefit for the Insured's eligible class in the Benefit Schedule, subject to the Reduction Schedule shown below.

Reduction Schedule. The Maximum Amount used to determine the amount payable for a loss will be reduced if an Insured is age 70 or older on the date of the accident causing the loss with respect to any of the following Benefits provided by this Policy: Accidental Death Benefit, Accidental Dismemberment Benefit. The Maximum Amount is reduced to a percentage of the Maximum Amount that would be used if the Insured were under age 70 on the date of the accident, according to the following schedule:

AGE ON DATE OF ACCIDENT	PERCENTAGE OF UNDER-AGE-70 MAXIMUM AMOUNT
70 - 74	65%
75 - 79	45%
80 - 84	30%
85 and older	15%

Premium for an Insured age 70 or older is based on 100% of the coverage that would be in effect if the Insured were under age 70.

"Age" as used above refers to the age of the Insured on the Insured's most recent birthday, regardless of the actual time of birth.

Accidental Death Benefit. If Injury to the Insured results in death within 365 days of the date of the accident that caused the Injury, the Company will pay 100% of the Maximum Amount.

Accidental Dismemberment Benefit. If Injury to the Insured results, within 365 days of the date of the accident that caused the Injury, in any one of the Losses specified below, the Company will pay the percentage of the Maximum Amount shown below for that Loss:

For Loss Of	Percentage of Maximum Amount
Both Hands or Both Feet.....	100%
Sight of Both Eyes.....	100%
One Hand and One Foot.....	100%
One Hand and the Sight of One Eye.....	100%
One Foot and the Sight of One Eye.....	100%
Speech and Hearing in Both Ears.....	100%
One Hand or One Foot.....	50%
The Sight of One Eye.....	50%
Speech or Hearing in Both Ears.....	50%
Hearing in One Ear.....	25%
Thumb and Index Finger of Same Hand.....	25%

"Loss" of a hand or foot means complete severance through or above the wrist or ankle joint. "Loss" of sight of an eye means total and irrecoverable loss of the entire sight in that eye. "Loss" of hearing in an ear means total and irrecoverable loss of the entire ability to hear in that ear. "Loss" of speech means total and irrecoverable loss of the entire ability to speak. "Loss" of thumb and index finger means complete severance through or above the metacarpophalangeal joint of both digits.

If more than one Loss is sustained by an Insured as a result of the same accident, only one amount, the largest, will be paid.

Exposure and Disappearance. If by reason of an accident occurring while an Insured's coverage is in force under this Policy, the Insured is unavoidably exposed to the elements and as a result of such exposure suffers a loss for which a benefit is otherwise payable under this Policy, the loss will be covered under the terms of this Policy.

If the body of an Insured has not been found within one year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which the person was an occupant while covered under this Policy, then it will be deemed, subject to all other terms and provisions of this Policy, that the Insured has suffered accidental death within the meaning of this Policy.

LIMITATIONS

Limitation on Multiple Benefits. If an Insured suffers one or more losses from the same accident for which amounts are payable under more than one of the following Benefits provided by this Policy, the maximum amount payable under all of the Benefits combined will not exceed the amount payable for one of those losses, the largest: Accidental Death Benefit, Accidental Dismemberment Benefit.

Aggregate Limit. The maximum amount payable under this Policy may be reduced if more than one Insured suffers a loss as a result of the same accident, and if amounts are payable for those losses under one or more of the following Benefits provided by this Policy: Accidental Death Benefit, Accidental Dismemberment Benefit. The maximum amount payable for all such losses for all Insureds under all those Benefits combined will not exceed the amount shown as the Aggregate Limit in the Benefit Schedule. If the combined maximum amount otherwise payable for all Insureds must be reduced to comply with this provision, the reduction will be taken by applying the same percentage of reduction to the individual maximum amount otherwise payable for each Insured for all such losses under all those Benefits combined.

EXCLUSIONS

This Policy does not cover any loss caused in whole or in part by, or resulting in whole or in part from, the following:

1. suicide or any attempt at suicide or intentionally self inflicted injury or any attempt at intentionally self inflicted injury.
2. sickness, disease or infections of any kind; except bacterial infections due to an accidental cut or wound, botulism or ptomaine poisoning.
3. the Insured's commission of or attempt to commit a felony.
4. declared or undeclared war, or any act of declared or undeclared war.
5. participation in any team sport or any other athletic activity, except participation in a Covered Activity.
6. full-time active duty in the armed forces, National Guard or organized reserve corps of any country or international authority. (Unearned Premium for any period for which the Insured is not covered due to his or her active duty status will be refunded.) (Loss caused while on short-term National Guard or reserve duty for regularly scheduled training purposes is not excluded.)
7. travel or flight in or on (including getting in or out of, or on or off of) any vehicle used for aerial navigation, if the Insured is:
 - a. riding as a passenger in any aircraft not licensed for the transportation of passengers for hire.
 - b. performing, learning to perform or instructing others to perform as a pilot or crew member of any aircraft.
8. any condition for which the Insured is entitled to benefits under any Workers' Compensation Act or similar law.
9. the Insured being under the influence of narcotics or intoxicants unless taken under the advice of a Physician.

CLAIMS PROVISIONS

Notice of Claim. Written notice of claim must be given to the Company within 20 days after an Insured's loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to the Company at A&H Claims Department PO Box 25987, Shawnee Mission, KS 66225, with information sufficient to identify the Insured, is deemed notice to the Company.

Claim Forms. The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in this Policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the Policyholder's name and the Policy number.

Proof of Loss. Written proof of loss must be furnished to the Company within 90 days after the date of the loss. If the loss is one for which this Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

Payment of Claims. Upon receipt of due written proof of death, payment for loss of life of an Insured will be made, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured suffering the loss. If an Insured dies before all payments due have been made, the amount still payable will be paid, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

Time of Payment of Claims. Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

GENERAL PROVISIONS

Entire Contract; Changes. This Policy, the Master Application, and any attached papers make up the entire contract between the Policyholder and the Company. In the absence of fraud, all statements made by the Policyholder or any Insured will be considered representations and not warranties. No written statement made by an Insured will be used in any contest unless a copy of the statement is furnished to the Insured or his or her beneficiary or personal representative.

No change in this Policy will be valid until approved by an officer of the Company. The approval must be noted on or attached to this Policy. No agent may change this Policy or waive any of its provisions.

Incontestability. The validity of this Policy will not be contested after it has been in force for two year(s) from the Policy Effective Date, except as to nonpayment of premiums.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any individual whose loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Noncompliance with Policy Requirements. Any express waiver by the Company of any requirements of this Policy will not constitute a continuing waiver of such requirements. Any failure by the Company to insist upon compliance with any Policy provision will not operate as a waiver or amendment of that provision.

Conformity With State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which this Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Workers' Compensation. This Policy is not in lieu of and does not affect any requirements for coverage by any Workers' Compensation Act or similar law.

Clerical Error. Clerical error, whether by the Policyholder or the Company, will not void the insurance of any Insured if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.

Records. The Company has the right to inspect at any reasonable time, any records of the Policyholder that may have a bearing on this insurance.

Assignment. This Policy is non-assignable. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

New Entrants. This Policy will allow from time to time, that new eligible Insureds of the Policyholder be added to the class(es) of Insureds originally insured under this Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for

which the Insured is insured are based on age and the Insured has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

EXCESS BENEFITS RIDER

This Rider is attached to and made part of the Policy effective August 1, 2019. It applies only with respect to accidents that occur on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Rider.

Excess Benefits. This Rider applies when an Insured has Accident Medical Expense coverage (herein called This Plan) under the Policy and health care coverage under one or more other Plans. When there is a basis for a claim under This Plan and another Plan, This Plan is an excess plan which has its benefits determined in excess of the benefits of the other Plan as described below, unless both: (1) the other Plan has coordination or excess benefits rules that require its benefits to be determined in excess of the benefits of This Plan; and (2) This Plan has covered the Insured longer than the other Plan has. When This Plan is an excess plan, the benefits of This Plan for any Allowable Expenses will be reduced when the sum of:

1. the benefits that would be payable for those Allowable Expenses under This Plan in the absence of this Rider; and
2. the benefits that would be payable for those Allowable Expenses under the other Plans in the absence of provisions with a purpose like that of a coordination or excess benefits provision, whether or not claim is made;

exceeds the amount of those Allowable Expenses. In that case, This Plan's benefits will be reduced so that they and the other Plans' benefits do not total more than the amount of those Allowable Expenses.

Right to Receive and Release Needed Information. The Company has the right to decide which facts it needs to administer this Rider. It may get needed facts from or give them to any other organization or person. The Company need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give the Company any facts it needs to pay the claim.

Facility of Payment and Right of Recovery. If a payment made under another Plan includes an amount that should have been paid under This Plan, the Company may pay that amount to the organization making that payment. That amount will then be treated as though it were a benefit paid under This Plan. The Company will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services. If the amount of the payments made by the Company is more than it should have paid under this Rider, it may recover the excess from the persons it has paid or for whom it has paid, insurance companies or other organizations. The Company's right of recovery will be secondary to the right of the Insured to be fully compensated for his or her damages, if required by the jurisdiction in which the recovery action occurs. If required by the jurisdiction in which the recovery action occurs, the Company will pay its share of any fees or costs associated with the pursuit of a claim, cause of action or right by or on behalf of an Insured against any Third Party or

Coverage if the Company seeks recovery.

Plan - as used in this Rider, means any of the following group, group-type (such as, but not limited to, franchise or blanket), family or individual coverages which provide benefits or services for, or because of, health care: (1) insurance policies; (2) subscriber contracts; (3) uninsured arrangements; (4) coverage through health maintenance organizations and other prepayment, group practice and individual practice plans; (5) medical benefits coverage in automobile "no-fault" and traditional automobile "fault" type contracts; and (6) coverage under a governmental plan or coverage required or provided by law; but not including: (a) a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time); or (b) a plan or law when, by law, its benefits are in excess of those of any private insurance plan or other non-governmental plan.

Allowable Expense - as used in this Rider, means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by the Policy and is covered at least in part by one or more other Plans covering the Insured. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered is both an Allowable Expense and a benefit paid, if the reasonable cash value had been charged as the cost for the service and such expense would have been covered at least in part by the Policy.

It is subject to all of the provisions, limitations and exclusions of this Policy except as they are specifically modified by this Endorsement.

If an Insured suffers a heart and/or circulatory malfunction that results in death as a direct result of participating in a Covered Activity, the Company will pay the Accidental Death Benefit provided that: (1) the symptom(s) of such malfunction(s) is (are) first medically treated while the Policy is in force with respect to such Insured and within 72 hours after such participation, and (2) such Insured has not, within the last 2 years prior to the date of such participation in the Covered Activity, been diagnosed with, or received any medication for any myocardial infarction, angina pectoris, coronary thrombosis or a cerebral vascular incident unless the condition for which the prescribed medication is taken remains controlled without any change in the required prescription.

SUBROGATION AND RIGHT OF RECOVERY ENDORSEMENT

This Endorsement is attached to and made part of the Policy effective August 1, 2019. It applies only with respect to benefits payable under the Policy on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Endorsement.

The following section is added after the Exclusions section of the Policy:

SUBROGATION AND RIGHT OF RECOVERY

As a condition to receiving Accident Medical Expense benefits under this Policy, the Insured (or, if he or she is deceased, an authorized representative of the Insured) agrees, except as may be limited or prohibited by applicable law:

1. to reimburse the Company for any such benefits paid to or on behalf of the Insured, if such benefits are recovered, in any form, from any Third Party or Coverage. The Company's right of recovery will be secondary to the right of the Insured to be fully compensated for his or her damages, if required by the jurisdiction in which the recovery action occurs.
2. without limiting the preceding, that the Company is subrogated, for the purpose of the Company's recovery of any such benefits paid to or on behalf of the Insured, to any and all claims, causes of action or rights that he or she has or that may rise against any Third Party who has or may have caused, contributed to or aggravated the Injury or condition for which the Insured claims an entitlement to Policy benefits, and to any claims, causes of action or rights he or she may have against any Coverage for the Injury or condition for which the Insured claims an entitlement to Policy benefits. The Company's right of subrogation will be secondary to the right of the Insured to be fully compensated for his or her damages, if required by the jurisdiction in which the recovery action occurs.

The Insured agrees that he or she will make a decision on pursuing any and all claims, causes of action and rights against any and all Third Parties and Coverage within 30 days of the date the Company requires that the Insured provide Notice of Claim for the Injury or condition for which such Policy benefits are sought, and within such 30-day period will so notify the Company in writing. In the event the Insured decides not to pursue a claim, cause of action or right against a Third Party or Coverage, or fails to notify the Company of his or her intent to do so within such 30-day period, the Insured authorizes the Company to pursue, sue, compromise or settle any such claim, cause of action or right in his or her name, authorizes the Company to execute any and all documents

necessary to pursue any such claim, cause of action or right, and agrees to cooperate fully with the Company in the prosecution of any such claim, cause of action or right.

If the Insured is a minor or is not competent to make this agreement, the legal guardian of the Insured's property makes the agreement on the Insured's behalf as a condition to receiving Accident Medical Expense benefits under this Policy on behalf of the Insured. If the Insured has no guardian for his or her property, the person or persons who, in the Company's opinion, have assumed the custody and support of the minor or responsibility for the incompetent person's affairs make the agreement on the Insured's behalf as a condition to receiving such benefits under this Policy on behalf of the Insured.

If required by jurisdiction in which the recovery action occurs, the Company will pay its share of any fees or costs associated with the pursuit of a claim, cause of action or right by or on behalf of an Insured against any Third Party or Coverage if the Company seeks recovery or subrogation.

Coverage - as used in the Subrogation and Right of Recovery section of this Policy, means no fault motorist coverage, uninsured motorist coverage, underinsured motorist coverage, or any other fund or insurance policy (except this Policy and any fund or insurance policy providing the Policyholder with coverage for any claims, causes of action or rights the Insured may have against the Policyholder).

Third Party(ies) - as used in the Subrogation and Right of Recovery section of this Policy, means any person, corporation or other entity (except the Insured, the Policyholder and the Company).

**SUMMARY OF THE LOUISIANA LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION ACT
AND
NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS**

Residents of Louisiana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are required by law to be members of the Louisiana Life and Health Insurance Guaranty Association (LLHIGA). The purpose of LLHIGA is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this happens, LLHIGA will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through LLHIGA is limited. As noted in the disclaimer below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

Disclaimer

*The Louisiana Life and Health Insurance Guaranty Association provides coverage of claims under some types of policies if the insurer becomes impaired or insolvent. **COVERAGE MAY NOT BE AVAILABLE FOR YOUR POLICY.** Even if coverage is provided, there are significant limits and exclusions. Coverage is generally conditioned upon residence in this state. Other conditions may also preclude coverage.*

Insurance companies and insurance agents are prohibited by law from using the existence of the association or its coverage to sell you an insurance policy.

You should not rely on the availability of coverage under the Louisiana Life and Health Insurance Guaranty Association when selecting an insurer.

The Louisiana Life and Health Insurance Guaranty Association or the Department of Insurance will respond to any questions you may have which are not answered by this document.

LLHIGA

Baton Rouge, LA 70821

Department of Insurance
P.O. Box 94214
Baton Rouge, LA 70804-9214

The state law that provides for this safety-net coverage is called the Louisiana Life and Health Insurance Guaranty Association Law (the law), and is set forth at R.S. 22:2081 *et seq.* The following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change any person's rights or obligations under the law or the rights or obligations of LLHIGA.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a direct non-group life, health, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract, issued by an insurer authorized to conduct business in Louisiana. The beneficiaries, payees or assignees of insured persons may also be protected as well even if they live in another state unless they are afforded coverage by the guaranty association of another state, or other circumstances described under the law are applicable.

Exclusions From Coverage

A person who holds a direct non-group life, health, or annuity policy or contract, a certificate under a direct group policy or contract for a supplemental contract to any of these, or an unallocated annuity contract is not protected by LLHIGA if:

- 1) He is eligible for protection under the laws of another state (This may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- 2) The insurer was not authorized to do business in this state;
- 3) His policy was issued by a profit or nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, an insurance exchange, an organization that issues charitable gift annuities as is defined in R.S. 22:952(A)(3), or any entity similar to any of these.

LLHIGA also does not provide coverage for:

- 1) Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- 2) Any policy of reinsurance (unless an assumption certificate was issued);
- 3) Interest rate or crediting rate yields, or similar factors employed in calculating changes in value, that exceed an average rate;
- 4) Dividends, premium refunds, or similar fees or allowances described under the Law;
- 5) Credits given in connection with the administration of a policy by a group contract holder;
- 6) Employers', associations' or similar entities' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured;
- 7) Unallocated annuity contracts (which gives rights to group contract holders, not individuals), except unallocated annuity contracts and defined contribution government plans qualified under section 403(b) of the United States Internal Revenue Code (26 U.S.C. §403(b)).
- 8) An obligation that does not arise under the express written terms of the policy or contract issued by the insurer to the policy owner or contract owner, including but not limited to, claims described under the law.
- 9) A policy or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to "Medicare Part C coverage" or "Medicare Part D coverage" and any regulations issued pursuant to those parts;
- 10) Interest or other changes in value to be determined by the use of an index or other external references but which have not been credited to the policy or contract or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer, whichever is earlier.

Limits On Amounts Of Coverage

The Louisiana Life and Health Insurance Guaranty Association Law also limits the amount that LLHIGA is obligated to pay out. The benefits for which LLHIGA may become liable shall in no event exceed the lesser of the following.

- 1) LLHIGA cannot pay more than what the insurance company would owe under a policy or contract if it were not an impaired or an insolvent insurer.
- 2) For any one insured life, regardless of the number of policies or contracts there are with the same company, LLHIGA will pay a maximum of \$300,000 in life insurance death benefits, but not more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance.

**IMPORTANT NOTICE TO OUR CUSTOMERS
REGARDING THE
OFFICE OF FOREIGN ASSETS CONTROL ("OFAC")**

Your rights as a policyholder and payments to you, any insured, additional insured, loss payee, mortgagee, or claimant, for loss under this policy may be affected by the administration and enforcement of U.S. economic embargoes and trade sanctions by the OFFICE OF FOREIGN ASSETS CONTROL ("OFAC").

The United States imposes economic sanctions against countries, groups and individuals, such as terrorists and narcotics traffickers. These sanctions prohibit US persons from dealing with these sanctioned parties. The purpose of this notice is to inform you that we cannot violate US sanctions by engaging with sanctioned countries or people.

WHAT IS OFAC?

OFAC is an office of the Department of the Treasury and acts under presidential wartime and national emergency powers, as well as authority granted by specific legislation, to impose controls on transactions and freeze foreign assets under U.S. jurisdiction. OFAC administers and enforces economic embargoes and trade sanctions primarily against:

- Targeted foreign countries and their agents
- Terrorism sponsoring agencies and organizations
- International narcotics traffickers
- Proliferators of Weapons of Mass Destruction

PROHIBITED ACTIVITY

- OFAC enforces certain embargoes and sanctions against designated countries. No U.S. business or person may enter into transactions involving designated "sanctioned" countries.
- OFAC publishes on its website a list known as the "Specially Designated Nationals and Blocked Persons" ("SDNBP") list. No U.S. business or person may enter into transactions involving any person or entity named on the SDNBP list.

Additional information about OFAC Sanctions Programs and Countries can be found at:
<http://www.treasury.gov/resource-center/sanctions/Programs/Pages/Programs.aspx>

OBLIGATIONS PLACED ON US BY OFAC

If we determine that you or any insured, additional insured, loss payee, mortgagee, or claimant are on the SDNBP list or are connected to a sanctioned country as described in the regulations, we must block or "freeze" property and payment of any funds transfers or transactions.

POTENTIAL ACTIONS BY US

1. We shall not be deemed to provide cover when it would violate any applicable sanction, prohibition or restriction under United Nations resolutions or the trade or economic sanctions, laws or regulations of the European Union or the United States of America. You will not receive a return premium unless approved by OFAC. All funds will be placed in an interest bearing blocked account established on the books of a U.S. financial institution.
2. We will not pay a claim or provide any benefit to the extent that such cover, payment of such claim or provision of such benefit would violate any trade or economic sanctions, laws or regulations of the United States of America and we will not defend or provide any other benefits under your policy to individuals, entities or companies to the extent that it would violate any trade or economic sanctions, laws or regulations of the United States of America.

YOUR RIGHTS AS A POLICYHOLDER

If funds are blocked or frozen by us in conjunction with the OFFICE OF FOREIGN ASSETS CONTROL, you may complete an "APPLICATION FOR THE RELEASE OF BLOCKED FUNDS" and apply for a specific license to request their release. Forms are available for download at the OFAC website. See
<https://www.treasury.gov/resource-center/sanctions/Pages/forms-index.aspx>

Introduction

Welcome to the UnitedHealthcare StudentResources International Student Injury and Sickness Insurance Plan. This plan is underwritten by Student Resources (SPC) Ltd. ("the Company").

The Company will provide the benefits described in this Certificate to Insured Persons, as defined in the Definitions section of this Certificate. This Certificate is not a contract between the Insured Person and the Company. Keep this Certificate with other important papers so that it is available for future reference.

This plan is a preferred provider organization or "PPO" plan. It provides a higher level of coverage when Covered Medical Expenses are received from healthcare providers who are part of the plan's network of "Preferred Providers." The plan also provides coverage when Covered Medical Expenses are obtained from healthcare providers who are not Preferred Providers, known as "Out-of-Network Providers." However, a lower level of coverage may be provided when care is received from Out-of-Network Providers and the Insured Person may be responsible for paying a greater portion of the cost.

To receive the highest level of benefits from the plan, the Insured Person should obtain covered services from Preferred Providers whenever possible. The easiest way to locate Preferred Providers is through the plan's web site at www.pghstudent.com (or refer to your Summary Brochure for specific website for additional information). The web site will allow the Insured to easily search for providers by specialty and location.

The Insured may also call the Customer Service Department at 1-888-251-6253, toll free, for assistance in finding a Preferred Provider.

Please feel free to call the Customer Service Department with any questions about the plan. The telephone number is 1-888-251-6253. The Insured can also write to the Company administrator at:

Section 1: Who Is Covered

The Master Policy covers students and their eligible Dependents who have met the Policy's eligibility requirements (as shown below) and who:

1. Are properly enrolled in the plan, and
2. Pay the required premium.

International students or other persons with a current passport who: 1) are engaged in educational activities; 2) are temporarily located outside his/her home country as a non-resident alien; 3) have not obtained permanent residency status in the U.S.; and 4) are enrolled in an associate, bachelor, master or Ph.D. degree program at a university or other educational institution, with no less than 6 credit hours (unless such school's full-time status requires less); Visiting Scholars, Optional Practical Training Students and formal English as a Second Language program students with an F1 or J1 visa are eligible to enroll in this insurance Plan. The six credit hour requirement is waived for Summer if the applicant was enrolled in this plan as a full-time student in the immediately preceding Spring term.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

The student (Named Insured, as defined in this Certificate) must actively attend classes for at least the first 31 days after the date for which coverage is purchased with the exception of International Visiting Scholars or those engaged in an Optional Practical Training Program. Home study, correspondence, and online courses do not fulfill the eligibility requirements that the student actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - a. On the date the Named Insured acquires a legal spouse.

- b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of this Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

U.S. citizens are not eligible for coverage as a student or Dependent.

Section 2: Effective and Termination Dates

The Master Policy on file with the Consortium Sponsor becomes effective at 12:01 a.m., July 1, 2019. The Insured Person's coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later.

The Master Policy terminates at 11:59 p.m., September 30, 2020. The Insured Person's coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Twelve (12) months is the maximum time coverage can be effective under any Policy Year for any Insured Person. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student.

There is no pro-rata or reduced premium payment for late enrollees. Refunds of premiums are allowed only upon entry into the armed forces.

The Master Policy is a non-renewable one year term insurance Policy. The Master Policy will not be renewed.

Section 3: Extension of Benefits after Termination

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Hospital Confined on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues but not to exceed 90 days after the Termination Date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this Extension of Benefits provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

Section 4: Pre-Admission Notification

UnitedHealthcare should be notified of all Hospital Confinements prior to admission.

1. **PRE-NOTIFICATION OF MEDICAL NON-EMERGENCY HOSPITALIZATIONS:** The patient, Physician or Hospital should telephone 1-877-295-0720 at least five working days prior to the planned admission.
2. **NOTIFICATION OF MEDICAL EMERGENCY ADMISSIONS:** The patient, patient's representative, Physician or Hospital should telephone 1-877-295-0720 within two working days of the admission to provide notification of any admission due to Medical Emergency.

UnitedHealthcare is open for Pre-Admission Notification calls from 8:00 a.m. to 6:00 p.m. C.S.T., Monday through Friday. Calls may be left on the Customer Service Department's voice mail after hours by calling 1-877-295-0720.

IMPORTANT: Failure to follow the notification procedures will not affect benefits otherwise payable under the Policy; however, pre-notification is not a guarantee that benefits will be paid.

Section 5: Preferred Provider Information

"Preferred Providers" are the Physicians, Hospitals and other health care providers who have contracted to provide specific medical care at negotiated prices. Preferred Providers in the local school area are:

UnitedHealthcare Options PPO

The availability of specific providers is subject to change without notice. A list of Preferred Providers is located on the plan's web site at www.pghstudent.com (or refer to your Summary Brochure for specific website for additional information). The Insured must notify the Company, in writing, of the adopted child not more than 30 days after placement or adoption.

In the case of a newborn adopted child, coverage begins at the moment of birth if a written agreement to adopt such child has been entered into by the Insured prior to the birth of the child, whether or not the agreement is enforceable. However, coverage will not continue to be provided for an adopted child who is not ultimately placed in the Insured's residence.

The Insured will have the right to continue such coverage for the child beyond the first 31 days. To continue the coverage the Insured must, within the 31 days after the child's date of placement: 1) apply to us; and 2) pay the required additional premium, if any, for the continued coverage. If the Insured does not use this right as stated here, all coverage as to that child will terminate at the end of the first 31 days after the child's date of placement.

DEDUCTIBLE means if an amount is stated in the Schedule of Benefits or any endorsement to the Policy as a deductible, it shall mean an amount to be subtracted from the amount or amounts otherwise payable as Covered Medical Expenses before payment of any benefit is made. POLICY ENDORSEMENT

This endorsement takes effect and expires concurrently with the Policy to which it is attached and is subject to all of the terms and conditions of the Policy not inconsistent therewith.

It is hereby understood and agreed that the Policy to which this endorsement is attached is amended as follows:

UnitedHealthcare Pharmacy (UHCP) Prescription Drug Benefits

Benefits for Prescription Drug Products

Benefits are available for Prescription Drug Products when dispensed at a UHCP Network Pharmacy as specified in the Policy Schedule of Benefits subject to all terms of the Policy and the provisions, definitions and exclusions specified in this endorsement.

Benefits for Prescription Drug Products are subject to supply limits and Copayments and/or Coinsurance or other payments that vary depending on which of the tiers of the Prescription Drug List the Prescription Drug Product is listed. Refer to the Policy Schedule of Benefits for applicable supply limits and Copayments and/or Coinsurance requirements.

Benefit for Prescription Drug Products are available when the Prescription Drug Product meets the definition of a Covered Medical Expense.

Benefits are available for refills of Prescription Drug Products only when dispensed as ordered by a Physician and only after $\frac{3}{4}$ of the original Prescription Drug Product has been used.

The Insured must present their ID card to the Network Pharmacy when the prescription is filled. If the Insured does not present their ID card to the Network Pharmacy, they will need to pay for the Prescription Drug and then submit a reimbursement form along with the paid receipts in order to be reimbursed. Insureds may obtain reimbursement forms by visiting www.pghstudent.com (or refer to your Summary Brochure for specific website for additional information) and logging in to their online account or by calling *Customer Service* at 1-855-828-7716.

Information on Network Pharmacies is available through the Internet at www.pghstudent.com (or refer to your Summary Brochure for specific website for additional information) or by calling *Customer Service* at 1-855-828-7716.

If the Insured does not use a Network Pharmacy, no benefits are available and the Insured will be responsible for paying the full cost for the Prescription Drug.

Copayment and/or Coinsurance Amount

For Prescription Drug Products at a retail Network Pharmacy, Insured Persons are responsible for paying the lowest of:

- The applicable Copayment and/or Coinsurance.
- The Network Pharmacy's Usual and Customary Fee for the Prescription Drug Product.
- The Prescription Drug Charge for that Prescription Drug Product.

For Prescription Drug Products from a mail order Network Pharmacy, Insured Persons are responsible for paying the lower of:

- The applicable Copayment and/or Coinsurance; or
- The Prescription Drug Charge for that Prescription Drug Product.

The Insured Person is not responsible for paying a Copayment and/or Coinsurance for Preventive Care Medications.

Supply Limits

Benefits for Prescription Drug Products are subject to supply limits as written by the Physician and the supply limits that are stated in the Policy Schedule of Benefits, unless adjusted based on the drug manufacturer's packaging size. For a single Copayment and/or Coinsurance, the Insured may receive a Prescription Drug Product up to the stated supply limit.

When a Prescription Drug Product is packaged or designed to deliver in a manner that provides more than a consecutive 31-day supply, the Copayment and/or Coinsurance that applies will reflect the number of days dispensed.

When a Prescription Drug Product is dispensed from a mail order Network Pharmacy, the Prescription Drug Product is subject to the supply limit stated in the Policy Schedule of Benefits, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits.

Note: Some products are subject to additional supply limits based on criteria that the Company has developed, subject to its periodic review and modification. The limit may restrict the amount dispensed per Prescription Order or Refill and/or the amount dispensed per month's supply or may require that a minimum amount be dispensed.

The Insured may determine whether a Prescription Drug Product has been assigned a maximum quantity level for dispensing through the Internet at www.pghstudent.com (or refer to your Summary Brochure for specific website for additional information) or by calling *Customer Service* at 1-855-828-7716.

If a Brand-name Drug Becomes Available as a Generic

If a Generic becomes available for a Brand-name Prescription Drug Product, the tier placement of the Brand-name Prescription Drug may change, and therefore the Copayment and/or Coinsurance may change or the Insured will no longer have benefits for that particular Brand-name Prescription Drug Product.

Designated Pharmacies

If the Insured requires certain Prescription Drug Products, including, but not limited to, Specialty Prescription Drug Products, the Company may direct the Insured to a Designated Pharmacy with whom the Company has an arrangement to provide those Prescription Drug Products.

If the Insured is directed to a Designated Pharmacy and has informed the Company of their decision not to obtain their Prescription Drug Product from a Designated Pharmacy, no benefits will be paid for that Prescription Drug Product.

Specialty Prescription Drug Products

Benefits are provided for Specialty Prescription Drug Products.

If the Insured requires Specialty Prescription Drug Products, the Company may direct the Insured to a Designated Pharmacy with whom the Company has an arrangement to provide those Specialty Prescription Drug Products.

If the Insured is directed to a Designated Pharmacy and the Insured chooses to obtain their Specialty Prescription Drug Product at a Designated Pharmacy, the Insured will be responsible for the entire cost of the Prescription Drug Product.

Please see the Definitions Section for a full description of Specialty Prescription Drug Product and Designated Pharmacy.

The following supply limits apply to Specialty Prescription Drug Products.

As written by the Physician, up to a consecutive 31-day supply of a Specialty Prescription Drug Product, unless adjusted based on the drug manufacturer's packaging size, or based on supply limits.

When a Specialty Prescription Drug Product is packaged or designed to deliver in a manner that provides more than a consecutive 31-day supply, the Copayment and/or Coinsurance that applies will reflect the number of days dispensed.

If a Specialty Prescription Drug Product is provided for less than or more than a 31-day supply, the Copayment and/or Coinsurance that applies will reflect the number of days dispensed.

Supply limits apply to Specialty Prescription Drug Products obtained at a Network Pharmacy, a mail order Network Pharmacy or a Designated Pharmacy.

Notification Requirements

Before certain Prescription Drug Products are dispensed at a Network Pharmacy, either the Insured's Physician, Insured's pharmacist or the Insured is required to notify the Company or the Company's designee. The reason for notifying the Company is to determine whether the Prescription Drug Product, in accordance with the Company's approved guidelines, is each of the following:

- It meets the definition of a Covered Medical Expense.
- It is not an Experimental or Investigational or Unproven Service.

If the Company is not notified before the Prescription Drug Product is dispensed, the Insured may pay more for that Prescription Order or Refill. The Prescription Drugs requiring notification are subject to Company periodic review and modification. There may be certain Prescription Drug Products that require the Insured to notify the Company directly rather than the Insured's Physician or pharmacist. The Insured may determine whether a particular Prescription Drug requires notification through the Internet at www.pghstudent.com (or refer to your Summary Brochure for specific website for additional information) or by calling *Customer Service* at 1-855-828-7716.

If the Company is not notified before the Prescription Drug Product is dispensed, the Insured can ask the Company to consider reimbursement after the Insured receives the Prescription Drug Product. The Insured will be required to pay for the Prescription Drug Product at the pharmacy.

When the Insured submits a claim on this basis, the Insured may pay more because they did not notify the Company before the Prescription Drug Product was dispensed. The amount the Insured is reimbursed will be based on the Prescription Drug Charge, less the required Copayment and/or Coinsurance and any Deductible that applies.

Benefits may not be available for the Prescription Drug Product after the Company reviews the documentation provided and determines that the Prescription Drug Product is not a Covered Medical Expense or it is an Experimental or Investigational or Unproven Service.

Step Therapy

Certain Prescription Drug Products for which benefits are provided are subject to step therapy requirements. This means that in order to receive benefits for such Prescription Drug Products an Insured is required to use a different Prescription Drug Product(s) first.

The Insured may determine whether a particular Prescription Drug Product is subject to step therapy requirements through the Internet at www.pghstudent.com (or refer to your Summary Brochure for specific website for additional information) or by calling *Customer Service* at 1-855-828-7716.

Limitation on Selection of Pharmacies

If the Company determines that an Insured Person may be using Prescription Drug Products in a harmful or abusive manner, or with harmful frequency, the Insured Person's selection of Network Pharmacies may be limited. If this happens, the Company may require the Insured to select a single Network Pharmacy that will provide and coordinate all future pharmacy services. Benefits will be paid only if the Insured uses the designated single Network Pharmacy. If the Insured does not make a selection within 31 days of the date the Company notifies the Insured, the Company will select a single Network Pharmacy for the Insured.

Coverage Policies and Guidelines

The Company's Prescription Drug List (PDL) Management Committee is authorized to make tier placement changes on its behalf. The PDL Management Committee makes the final classification of an FDA-approved Prescription Drug Product to a certain tier by considering a number of factors including, but not limited to, clinical and economic factors. Clinical factors may include, but are not limited to, evaluations of the place in therapy, relative safety or relative efficacy of the Prescription Drug Product, as well as whether supply limits or notification requirements should apply. Economic factors may include, but are not limited to, the Prescription Drug Product's acquisition cost including, but not limited to, available rebates and assessments on the cost effectiveness of the Prescription Drug Product.

Some Prescription Drug Products are more cost effective for specific indications as compared to others, therefore; a Prescription Drug may be listed on multiple tiers according to the indication for which the Prescription Drug Product was prescribed.

The Company may periodically change the placement of a Prescription Drug Product among the tiers. These changes generally will occur quarterly, but no more than six times per calendar year. These changes may occur without prior notice to the Insured.

When considering a Prescription Drug Product for tier placement, the PDL Management Committee reviews clinical and economic factors regarding Insured Persons as a general population. Whether a particular Prescription Drug Product is appropriate for an individual Insured Person is a determination that is made by the Insured Person and the prescribing Physician.

NOTE: The tier status of a Prescription Drug Product may change periodically based on the process described above. As a result of such changes, the Insured may be required to pay more or less for that Prescription Drug Product. Please access www.pghstudent.com (or refer to your Summary Brochure for specific website for additional information) through the Internet or call *Customer Service* at 1-855-828-7716 for the most up-to-date tier status.

Rebates and Other Payments

The Company may receive rebates for certain drugs included on the Prescription Drug List. The Company does not pass these rebates on to the Insured Person, nor are they applied to the Insured's Deductible or taken into account in determining the Insured's Copayments and/or Coinsurance.

The Company, and a number of its affiliated entities, conducts business with various pharmaceutical manufacturers separate and apart from this Prescription Drug Endorsement. Such business may include, but is not limited to, data collection, consulting, educational grants and research. Amounts received from pharmaceutical manufacturers pursuant to such arrangements are not related to this Prescription Drug Benefit. The Company is not required to pass on to the Insured, and does not pass on to the Insured, such amounts.

Definitions

Brand-name means a Prescription Drug: (1) which is manufactured and marketed under a trademark or name by a specific drug manufacturer; or (2) that the Company identifies as a Brand-name product, based on available data resources including, but not limited to, First DataBank, that classify drugs as either brand or generic based on a number of factors. The Insured should know that all products identified as a "brand name" by the manufacturer, pharmacy, or an Insured's Physician may not be classified as Brand-name by the Company.

Chemically Equivalent means when Prescription Drug Products contain the same active ingredient.

Designated Pharmacy means a pharmacy that has entered into an agreement with the Company or with an organization contracting on the Company's behalf, to provide specific Prescription Drug Products, including, but not limited to, Specialty Prescription Drug Products. The fact that a pharmacy is a Network Pharmacy does not mean that it is a Designated Pharmacy.

Experimental or Investigational Services means medical, surgical, diagnostic, psychiatric, mental health, substance-related and addictive disorders or other health care services, technologies, supplies, treatments, procedures, drug therapies, medications, or devices that, at the time the Company makes a determination regarding coverage in a particular case, are determined to be any of the following:

- Not approved by the U.S. Food and Drug Administration (FDA) to be lawfully marketed for the proposed use and not identified in the American Hospital Formulary Service or the United States Pharmacopoeia Dispensing Information as appropriate for the proposed use.
- Subject to review and approval by any institutional review board for the proposed use. (Devices which are FDA approved under the *Humanitarian Use Device* exemption are not considered to be Experimental or Investigational.)
- The subject of an ongoing clinical trial that meets the definition of a Phase 1, 2 or 3 clinical trial set forth in the FDA regulations, regardless of whether the trial is actually subject to FDA oversight.

Exceptions:

- Clinical trials for which benefits are specifically provided for in the Policy.
- If the Insured is not a participant in a qualifying clinical trial as specifically provided for in the Policy, and has an Injury or Sickness that is likely to cause death within one year of the request for treatment) the Company may, in its discretion, consider an otherwise Experimental or Investigational Service to be a Covered Medical Expense for that Injury or

Sickness. Prior to such a consideration, the Company must first establish that there is sufficient evidence to conclude that, albeit unproven, the service has significant potential as an effective treatment for that Sickness or Injury.

Generic means a Prescription Drug Product: (1) that is Chemically Equivalent to a Brand-name drug; or (2) that the Company identifies as a Generic product based on available data resources including, but not limited to, Medi-Span or First DataBank, that classify drugs as either brand or generic based on a number of factors. The Insured should know that all products identified as a "generic" by the manufacturer, pharmacy or Insured's Physician may not be classified as a Generic by the Company.

Network Pharmacy means a pharmacy that has:

- Entered into an agreement with the Company or an organization contracting on the Company's behalf to provide Prescription Drug Products to Insured Persons.
- Agreed to accept specified reimbursement rates for dispensing Prescription Drug Products.
- Been designated by the Company as a Network Pharmacy.

New Prescription Drug Product means a Prescription Drug Product or new dosage form of a previously approved Prescription Drug Product, for the period of time starting on the date the Prescription Drug Product or new dosage form is approved by the U.S. Food and Drug Administration (FDA) and ending on the earlier of the following dates:

- The date it is assigned to a tier by the Company's PDL Management Committee.
- December 31st of the following calendar year.

Prescription Drug or Prescription Drug Product means a medication or product that has been approved by the U.S. Food and Drug Administration and that can, under federal or state law, be dispensed only pursuant to a Prescription Order or Refill. A Prescription Drug Product includes a medication that, due to its characteristics, is appropriate for self-administration or administration by a non-skilled caregiver. For the purpose of the benefits under the Policy, this definition includes:

- Inhalers.
- Insulin.
- The following diabetic supplies:
 - standard insulin syringes with needles;
 - blood-testing strips - glucose;
 - urine-testing strips - glucose;
 - ketone-testing strips and tablets;
 - lancets and lancet devices; and
 - glucose monitors.

Prescription Drug Charge means the rate the Company has agreed to pay the Network Pharmacies, including a dispensing fee and any applicable sales tax, for a Prescription Drug Product dispensed at a Network Pharmacy.

Prescription Drug List means a list that categorizes into tiers medications or products that have been approved by the U.S. Food and Drug Administration. This list is subject to the Company's periodic review and modification (generally quarterly, but no more than six times per calendar year). The Insured may determine to which tier a particular Prescription Drug Product has been assigned through the Internet at www.pghstudent.com (or refer to your Summary Brochure for specific website for additional information) or call *Customer Service* at 1-855-828-7716.

Prescription Drug List Management Committee means the committee that the Company designates for, among other responsibilities, classifying Prescription Drugs into specific tiers.

Prescription Order or Refill means the directive to dispense a Prescription Drug Product issued by a Physician whose scope of practice permits issuing such a directive.

Preventive Care Medications means the medications that are both:

- Obtained at a Network Pharmacy with a Prescription Order or Refill from a Physician.
- Specified as a Preventive Care Medication in the Company's guidelines for preventive care services.

Company guidelines for preventive care services are based on the following:

- Evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the *United States Preventive Services Task Force*.
- With respect to infants, children and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.
- With respect to women, such additional preventive care and screenings as provided for in comprehensive guidelines supported by the Health Resources and Services Administration.

Preventive Care Medications are payable at 100% of the Prescription Drug Charge (without application of any Copayment, Coinsurance, or Deductible). No benefits will be provided for any Preventive Care Medications specifically excluded in the Policy.

The Insured may determine whether a drug is a Preventive Care Medication through the internet at www.pghstudent.com (or refer to your Summary Brochure for specific website for additional information) or by calling Customer Service at 1-855-828-7716.

Specialty Prescription Drug Product means Prescription Drug Products that are generally high cost, self-injectable biotechnology drugs used to treat patients with certain illnesses. Insured Persons may access a complete list of Specialty Prescription Drug Products through the Internet at www.pghstudent.com (or refer to your Summary Brochure for specific website for additional information) or call *Customer Service* at 1-855-828-7716.

Therapeutically Equivalent means when Prescription Drugs Products have essentially the same efficacy and adverse effect profile.

Unproven Service(s) means services, including medications, that are determined not to be effective for the treatment of the medical condition and/or not to have a beneficial effect on the health outcomes due to insufficient and inadequate clinical evidence from well-conducted randomized controlled trials or cohort studies in the prevailing published peer-reviewed medical literature.

- Well-conducted randomized controlled trials. (Two or more treatments are compared to each other, and the patient is not allowed to choose which treatment is received.)
- Well-conducted cohort studies from more than one institution. (Patients who receive study treatment are compared to a group of patients who receive standard therapy. The comparison group must be nearly identical to the study treatment group.)

The Company has a process by which it compiles and reviews clinical evidence with respect to certain health services. From time to time, the Company issues medical and drug policies that describe the clinical evidence available with respect to specific health care services. These medical and drug policies are subject to change without prior notice.

If the Insured has a life-threatening Injury or Sickness (one that is likely to cause death within one year of the request for treatment) the Company may, as it determines, consider an otherwise Unproven Service to be a Covered Medical Expense for that Injury or Sickness. Prior to such a consideration, the Company must first establish that there is sufficient evidence to conclude that, albeit unproven, the service has significant potential as an effective treatment for that Sickness or Injury.

Usual and Customary Fee means the usual fee that a pharmacy charges individuals for a Prescription Drug Product without reference to reimbursement to the pharmacy by third parties. The Usual and Customary Fee includes a dispensing fee and any applicable sales tax.

Additional Exclusions

In addition to the Exclusions and Limitations shown in the Certificate of Coverage, the following Exclusions apply:

1. Coverage for Prescription Drug Products for the amount dispensed (days' supply or quantity limit) which exceeds the supply limit.
2. Coverage for Prescription Drug Products for the amount dispensed (days' supply or quantity limit) which is less than the minimum supply limit.
3. Experimental or Investigational Services or Unproven Services and medications; medications used for experimental indications and/or dosage regimens determined by the Company to be experimental, investigational or unproven.
4. Prescription Drug Products, including New Prescription Drug Products or new dosage forms, that the Company determines do not meet the definition of a Covered Medical Expense.

5. Certain New Prescription Drug Products and/or new dosage forms until the date they are reviewed and assigned to a tier by the Company's PDL Management Committee.
6. Compounded drugs that do not contain at least one ingredient that has been approved by the U.S. Food and Drug Administration and requires a Prescription Order or Refill. Compounded drugs that contain a non-FDA approved bulk chemical. Compounded drugs that are available as a similar commercially available Prescription Drug Product. (Compounded drugs that contain at least one ingredient that requires a Prescription Order or Refill are assigned to Tier-3.)
7. Drugs available over-the-counter that do not require a Prescription Order or Refill by federal or state law before being dispensed, unless the Company has designated the over-the counter medication as eligible for coverage as if it were a Prescription Drug Product and it is obtained with a Prescription Order or Refill from a Physician. Prescription Drug Products that are available in over-the-counter form or comprised of components that are available in over-the-counter form or equivalent. Certain Prescription Drug Products that the Company has determined are Therapeutically Equivalent to an over-the-counter drug. Such determinations may be made up to six times during a calendar year, and the Company may decide at any time to reinstate benefits for a Prescription Drug Product that was previously excluded under this provision.
8. Any product for which the primary use is a source of nutrition, nutritional supplements, or dietary management of disease, even when used for the treatment of Sickness or Injury.
9. A Prescription Drug Product that contains (an) active ingredient(s) available in and Therapeutically Equivalent to another covered Prescription Drug Product. Such determinations may be made up to six times during a calendar year, and the Company may decide at any time to reinstate benefits for a Prescription Drug that was previously excluded under this provision.
10. A Prescription Drug Product that contains (an) active ingredient(s) which is (are) a modified version of and Therapeutically Equivalent to another covered Prescription Drug Product. Such determinations may be made up to six times during a calendar year, and the Company may decide at any time to reinstate benefits for a Prescription Drug that was previously excluded under this provision.
11. Certain Prescription Drug Products for which there are Therapeutically Equivalent alternatives available, unless otherwise required by law or approved by the Company. Such determinations may be made up to six times during a calendar year, and the Company may decide at any time to reinstate benefits for a Prescription Drug that was previously excluded under this provision.
12. A Prescription Drug Product with an approved biosimilar or a biosimilar and Therapeutically Equivalent to another covered Prescription Drug Product. For the purpose of this exclusion a "biosimilar" is a biological Prescription Drug Product approved based on showing that it is highly similar to a reference product (a biological Prescription Drug Product) and has no clinically meaningful differences in terms of safety and effectiveness from the reference product. Such determinations may be made up to six times during a calendar year, and the Company may decide at any time to reinstate benefits for a Prescription Drug that was previously excluded under this provision.
13. Prescription Drug Products as a replacement for a previously dispensed Prescription Drug Product that was lost, stolen, broken or destroyed.
14. Durable medical equipment, including insulin pumps and related supplies for the management and treatment of diabetes, for which benefits are provided in the Policy.
15. Diagnostic kits and products.
16. Publicly available software applications and/or monitors that may be available with or without a Prescription Order or Refill.

POLICY ENDORSEMENT

This endorsement takes effect and expires concurrently with the Policy to which it is attached and is subject to all of the terms and conditions of the Policy not inconsistent therewith.

It is hereby understood and agreed that the Policy to which this endorsement is attached is amended as follows:

Pediatric Dental Services Benefits

Benefits are provided under this endorsement for Covered Dental Services, as described below, for Insured Persons under the age of 19. Benefits under this endorsement terminate on the earlier of: 1) last day of the month the Insured Person reaches the age of 19; or 2) the date the Insured Person's coverage under the Policy terminates.

Section 1: Accessing Pediatric Dental Services

Network and Non-Network Benefits

Network Benefits - these benefits apply when the Insured Person chooses to obtain Covered Dental Services from a Network Dental Provider. Insured Persons generally are required to pay less to the Network Dental Provider than they would pay for services from a non-Network provider. Network Benefits are determined based on the contracted fee for each Covered Dental Service. In no event, will the Insured Person be required to pay a Network Dental Provider an amount for a Covered Dental Service in excess of the contracted fee.

In order for Covered Dental Services to be paid as Network Benefits, the Insured Person must obtain all Covered Dental Services directly from or through a Network Dental Provider.

Insured Persons must always verify the participation status of a provider prior to seeking services. From time to time, the participation status of a provider may change. The Insured Person can verify the participation status by calling the Company and/or the provider. If necessary, the Company can provide assistance in referring the Insured Person to Network Dental Provider.

The Company will make a *Directory of Network Dental Providers* available to the Insured Person. The Insured Person can also call *Customer Service* at 1-877-816-3596 to determine which providers participate in the Network. The telephone number for *Customer Service* is also on the Insured's ID card.

Non-Network Benefits - these benefits apply when Covered Dental Services are obtained from non-Network Dental Providers. Insured Persons generally are required to pay more to the provider than for Network Benefits. Non-Network Benefits are determined based on the Usual and Customary Fee for similarly situated Network Dental Providers for each Covered Dental Service. The actual charge made by a non-Network Dental Provider for a Covered Dental Service may exceed the Usual and Customary Fee. As a result, Insured Persons may be required to pay a non-Network Dental Provider an amount for a Covered Dental Service in excess of the Usual and Customary Fee. In addition, when Covered Dental Services are obtained from non-Network Dental Providers, the Insured Person must file a claim with the Company to be reimbursed for Eligible Dental Expenses.

Covered Dental Services

The Insured Person is eligible for benefits for Covered Dental Services listed in this endorsement if such Dental Services are Necessary and are provided by or under the direction of a Network Dental Provider.

Benefits are available only for Necessary Dental Services. The fact that a Dental Provider has performed or prescribed a procedure or treatment, or the fact that it may be the only available treatment, for a dental disease does not mean that the procedure or treatment is a Covered Dental Service under this endorsement.

Pre-Treatment Estimate

If the charge for a Dental Service is expected to exceed \$500 or if a dental exam reveals the need for fixed bridgework, the Insured Person may notify the Company of such treatment before treatment begins and receive a pre-treatment estimate. To receive a pre-treatment estimate, the Insured Person or Dental Provider should send a notice to the Company, via claim

form, within 20 calendar days of the exam. If requested, the Dental Provider must provide the Company with dental x-rays, study models or other information necessary to evaluate the treatment plan for purposes of benefit determination.

The Company will determine if the proposed treatment is a Covered Dental Service and will estimate the amount of payment. The estimate of benefits payable will be sent to the Dental Provider and will be subject to all terms, conditions and provisions of the Policy. Clinical situations that can be effectively treated by a less costly, clinically acceptable alternative procedure will be assigned a benefit based on the less costly procedure.

A pre-treatment estimate of benefits is not an agreement to pay for expenses. This procedure lets the Insured Person know in advance approximately what portion of the expenses will be considered for payment.

Pre-Authorization

Pre-authorization is required for all orthodontic services. The Insured Person should speak to the Dental Provider about obtaining a pre-authorization before Dental Services are rendered. If the Insured Person does not obtain a pre-authorization, the Company has a right to deny the claim for failure to comply with this requirement.

Section 2: Benefits for Pediatric Dental Services

Benefits are provided for the Dental Services stated in this Section when such services are:

- A. Necessary.
- B. Provided by or under the direction of a Dental Provider.
- C. Clinical situations that can be effectively treated by a less costly, dental appropriate alternative procedure will be assigned a benefit based on the least costly procedure.
- D. Not excluded as described in *Section 3: Pediatric Dental Exclusions* of this endorsement.

Benefits for Covered Dental Services are subject to satisfaction of the Dental Services Deductible.

Network Benefits:

Benefits for Eligible Dental Expenses are determined as a percentage of the negotiated contract fee between the Company and the provider rather than a percentage of the provider's billed charge. The Company's negotiated rate with the provider is ordinarily lower than the provider's billed charge.

A Network provider cannot charge the Insured Person or the Company for any service or supply that is not Necessary as determined by the Company. If the Insured Person agrees to receive a service or supply that is not Necessary the Network provider may charge the Insured Person. However, these charges will not be considered Covered Dental Services and benefits will not be payable.

Non-Network Benefits:

Benefits for Eligible Dental Expenses from non-Network providers are determined as a percentage of the Usual and Customary Fees. The Insured Person must pay the amount by which the non-Network provider's billed charge exceeds the Eligible Dental Expense.

Dental Services Deductible

Benefits for pediatric Dental Services provided under this endorsement are not subject to the Policy Deductible stated in the Policy *Schedule of Benefits*. Instead, benefits for pediatric Dental Services are subject to a separate Dental Services Deductible.

For any combination of Network and Non-Network Benefits, the Dental Services Deductible per Policy Year is \$500 per Insured Person.

The Dental Services Deductible does not apply to *Diagnostic Services* and/or *Preventive Services*.

Out-of-Pocket Maximum - any amount the Insured Person pays in Coinsurance for pediatric Dental Services under this endorsement applies to the Out-of-Pocket Maximum stated in the Policy *Schedule of Benefits*.

Benefits

Dental Services Deductibles are calculated on a Policy Year basis.

When benefit limits apply, the limit stated refers to any combination of Network Benefits and Non-Network Benefits unless otherwise specifically stated.

Benefit limits are calculated on a Policy Year basis unless otherwise specifically stated.

Section 5: Defined Terms for Pediatric Dental Services

The following definitions are in addition to those listed in the Definitions section of the Certificate of Coverage:

Covered Dental Service – a Dental Service or Dental Procedure for which benefits are provided under this endorsement.

Dental Emergency - a dental condition or symptom resulting from dental disease which arises suddenly and, in the judgment of a reasonable person, requires immediate care and treatment, and such treatment is sought or received within 24 hours of onset.

Dental Provider - any dentist or dental practitioner who is duly licensed and qualified under the law of jurisdiction in which treatment is received to render Dental Services, perform dental surgery or administer anesthetics for dental surgery.

Dental Service or Dental Procedures - dental care or treatment provided by a Dental Provider to the Insured Person while the Policy is in effect, provided such care or treatment is recognized by the Company as a generally accepted form of care or treatment according to prevailing standards of dental practice.

Dental Services Deductible - the amount the Insured Person must pay for Covered Dental Services in a Policy Year before the Company will begin paying for Network or Non-Network Benefits in that Policy Year.

Eligible Dental Expenses - Eligible Dental Expenses for Covered Dental Services, incurred while the Policy is in effect, are determined as stated below:

- For Network Benefits, when Covered Dental Services are received from Network Dental Providers, Eligible Dental Expenses are the Company's contracted fee(s) for Covered Dental Services with that provider.
- For Non-Network Benefits, when Covered Dental Services are received from Non-Network Dental Providers, Eligible Dental Expenses are the Usual and Customary Fees, as defined below.

Experimental, Investigational, or Unproven Service - medical, dental, surgical, diagnostic, or other health care services, technologies, supplies, treatments, procedures, drug therapies or devices that, at the time the Company makes a determination regarding coverage in a particular case, is determined to be:

- Not approved by the U.S. Food and Drug Administration (FDA) to be lawfully marketed for the proposed use and not identified in the American Hospital Formulary Service or the United States Pharmacopoeia Dispensing Information as appropriate for the proposed use; or
- Subject to review and approval by any institutional review board for the proposed use; or
- The subject of an ongoing clinical trial that meets the definition of a Phase 1, 2, or 3 clinical trial set forth in the FDA regulations, regardless of whether the trial is actually subject to FDA oversight; or
- Not determined through prevailing peer-reviewed professional literature to be safe and effective for treating or diagnosing the condition or Sickness for which its use is proposed.

Foreign Services - services provided outside the U.S. and U.S. Territories.

Necessary - Dental Services and supplies under this endorsement which are determined by the Company through case-by-case assessments of care based on accepted dental practices to be appropriate and are all of the following:

- Necessary to meet the basic dental needs of the Insured Person.
- Rendered in the most cost-efficient manner and type of setting appropriate for the delivery of the Dental Service.
- Consistent in type, frequency and duration of treatment with scientifically based guidelines of national clinical, research, or health care coverage organizations or governmental agencies that are accepted by the Company.
- Consistent with the diagnosis of the condition.
- Required for reasons other than the convenience of the Insured Person or his or her Dental Provider.
- Demonstrated through prevailing peer-reviewed dental literature to be either:

 - Safe with promising efficacy
 - For treating a life threatening dental disease or condition.
 - Provided in a clinically controlled research setting.
 - Using a specific research protocol that meets standards equivalent to those defined by the National Institutes of Health.

(For the purpose of this definition, the term life threatening is used to describe dental diseases or sicknesses or conditions, which are more likely than not to cause death within one year of the date of the request for treatment.)

The fact that a Dental Provider has performed or prescribed a procedure or treatment or the fact that it may be the only treatment for a particular dental disease does not mean that it is a Necessary Covered Dental Service as defined in this endorsement. The definition of Necessary used in this endorsement relates only to benefits under this endorsement and differs from the way in which a Dental Provider engaged in the practice of dentistry may define necessary.

Network - a group of Dental Providers who are subject to a participation agreement in effect with the Company, directly or through another entity, to provide Dental Services to Insured Persons. The participation status of providers will change from time to time.

Network Benefits - benefits available for Covered Dental Services when provided by a Dental Provider who is a Network Dentist.

Non-Network Benefits - benefits available for Covered Dental Services obtained from Non-Network Dentists.

Usual and Customary Fee - Usual and Customary Fees are calculated by the Company based on available data resources of competitive fees in that geographic area.

Usual and Customary Fees must not exceed the fees that the provider would charge any similarly situated payor for the same services.

Usual and Customary Fees are determined solely in accordance with the Company's reimbursement policy guidelines. The Company's reimbursement policy guidelines are developed by the Company, in its discretion, following evaluation and validation of all provider billings in accordance with one or more of the following methodologies:

- As indicated in the most recent edition of the Current Procedural Terminology (publication of the American Dental Association).
- As reported by generally recognized professionals or publications.

This endorsement takes effect and expires concurrently with the Policy to which it is attached and is subject to all of the terms and conditions of the Policy not inconsistent therewith.

It is hereby understood and agreed that the Policy to which this endorsement is attached is amended as follows:

An Insured Person under this insurance plan is eligible for Assistance and Evacuation Benefits in addition to the underlying plan coverage. The requirements to receive these benefits are as follows:

International Students, insured spouse, and insured minor child(ren) are eligible to receive Assistance and Evacuation Benefits worldwide, except in their Home Country.

Assistance and Evacuation Benefits

DEFINITIONS

The following definitions apply to the Assistance and Evacuation Benefits described further below.

"Emergency Medical Event" means an event wherein an Insured Person's medical condition and situation are such that, in the opinion of the Company's affiliate or authorized vendor and the Insured Person's treating physician, the Insured Person requires urgent medical attention without which there would be a significant risk of death, or serious impairment and adequate medical treatment is not available at the Insured Person's initial medical facility.

"Home Country" means, with respect to an Insured Person, the country or territory as shown on the Insured Person's passport or the country or territory of which the Insured Person is a permanent resident.

"Host Country" means, with respect to an Insured Person, the country or territory the Insured Person is visiting or in which the Insured Person is living, which is not the Insured Person's Home Country.

"Physician Advisors" mean physicians retained by the Company's affiliate or authorized vendor for provision of consultative and advisory services to the Company's affiliate or authorized vendor, including the review and analysis of the medical care received by Insured Persons.

An Insured Person must notify the Company's affiliate or authorized vendor to obtain benefits for Medical Evacuation and Repatriation. If the Insured Person doesn't notify the Company's affiliate or authorized vendor, the Insured Person will be responsible for paying all charges and no benefits will be paid.

MEDICAL EVACUATION AND REPATRIATION BENEFITS

Emergency Medical Evacuation: If an Insured Person suffers a Sickness or Injury, experiences an Emergency Medical Event and adequate medical facilities are not available locally in the opinion of the *Medical Director* of the Company's affiliate or authorized vendor, the Company's affiliate or authorized vendor will provide an emergency medical evacuation (under medical supervision if necessary) to the nearest facility capable of providing adequate care by whatever means is necessary. The Company will pay costs for arranging and providing for transportation and related medical services (including the cost of a medical escort if necessary) and medical supplies necessarily incurred in connection with the emergency medical evacuation.

Dispatch of Doctors/Specialists: If an Insured Person experiences an Emergency Medical Event and the Company's affiliate or authorized vendor determines that an Insured Person cannot be adequately assessed by telephone for possible medical evacuation from the initial medical facility or that the Insured Person cannot be moved and local treatment is unavailable, the Company's affiliate or authorized vendor will arrange to send an appropriate medical practitioner to the Insured Person's location when it deems it appropriate for medical management of a case. The Company will pay costs for transportation and expenses associated with dispatching a medical practitioner to an Insured Person's location, not including the costs of the medical practitioner's service.

Medical Repatriation: After an Insured Person receives initial treatment and stabilization for a Sickness or Injury, if the attending physician and the *Medical Director* of the Company's affiliate or authorized vendor determine that it is medically necessary, the Company's affiliate or authorized vendor will transport an Insured Person back to the Insured Person's permanent place of residence for further medical treatment or to recover. The Company will pay costs for arranging and providing for transportation and related medical services (including the cost of a medical escort if necessary) and medical supplies necessarily incurred in connection with the repatriation.

Transportation after Stabilization: If Medical Repatriation is not required following stabilization of the Insured Person's condition and discharge from the hospital, the Company's affiliate or authorized vendor will coordinate transportation to the Insured Person's point of origin, Home Country, or Host Country. The Company will pay costs for economy transportation (or upgraded transportation to match an Insured Person's originally booked travel arrangements) to the Insured Person's original point of origin, Home Country or Host Country.

Transportation to Join a Hospitalized Insured Person: If an Insured Person who is travelling alone is or will be hospitalized for more than three (3) days due to a Sickness or Injury, the Company's affiliate or authorized vendor will coordinate round-trip airfare for a person of the Insured Person's choice to join the Insured Person. The Company will pay costs for economy class round-trip airfare for a person to join the Insured Person.

Return of Minor Children: If an Insured Person's minor child(ren) age 18 or under are present but left unattended as a result of the Insured Person's Injury or Sickness, the Company's affiliate or authorized vendor will coordinate airfare to send them back to the Insured Person's Home Country. The Company's affiliate or authorized vendor will also arrange for the services, transportation expenses, and accommodations of a non-medical escort, if required as determined by the Company's affiliate or authorized vendor. The Company will pay costs for economy class one-way airfare for the minor children (or upgraded transportation to match the Insured Person's originally booked travel arrangement) and, if required, the cost of the services, transportation expenses, and accommodations of a non-medical escort to accompany the minor children back to the Insured Person's Home Country.
